

Wooster School

Applied Music Lesson Agreement between Parent, Student and Teacher.

If you have any questions, please contact Claire Simard, Coordinator of Performing Arts at claire.simard@woosterschool.org. For scheduling questions, contact Anne Gilson at anne.gilson@woosterschool.org

Contracting, Scheduling and Fees

- Lessons are contracted and scheduled for 20 lessons throughout the school year. Additional lesson packages can be purchased after a student has met his/her allotment.
 - There is a “No Drop” policy after the first two lessons. This is a contract that extends through the 20 lessons.
 - For the Middle and Upper Schools this means that this is a course which will appear on transcripts as such and will be marked as “Withdrawn” on the transcript if the student drops after the first two lessons.
 - The 20 contracted lessons must be completed during the 2022-2023 school
 - Rates for lessons are as follows:
 - 20 lesson pack
 - 30 minute lesson - \$800
 - 45 minute lesson* - \$1200
- *Upper School students are strongly encouraged to take a 45 minute lesson.*
- Please send a 50% deposit (check only) with the signed contract to complete registration.
 - If all 20 lessons are completed before the end of the school year, there is an option to add extra lessons.
 - Performance in a year-end recital is strongly suggested for all students.

Attendance and Cancellation Policy

- If a teacher must miss a lesson for any reason, that lesson will be made up at a mutually convenient time and place for both student and teacher.
- Faculty will make up one (1) lesson missed by a student, but only if 24 hours notice is given.
- Any student “no-show” will not be made up.
- Lessons missed due to snow days will be made up at a mutually convenient time.
- All parties should view the scheduled 20 lessons as contracted time and instruction on which the parent, student and teacher can rely to be consistent.
- **Before teaching can begin, this contract, must be signed by student and parent**
